

TACOS MUCHACHOS
FUNCTIONS & EVENTS

- THE VENUE -

Tacos Muchachos is Sydney's most authentic taqueria based in the heart of Redfern next to one of Sydney's most culturally & historically significant streets - Eveleigh Street.

You'll find the muchachos inside Hotel Hacienda, on the corner of Regent Street and Cleveland Street, bordering the leafy suburb of Chippendale. Hotel Hacienda is a 64-room boutique hotel founded by a group of private investors. The space boasts a grand dining area littered with natural light and numerous cacti as well as an outdoor veranda on the railway side. It can seat 70+ guests comfortably or up to 120 standing guests. We also have a rooftop coming soon.

The design philosophy was to create aspirational affordability and create a fun environment with considered aesthetics. The vision was to bring a little touch of Tulum to Redfern. Everything has been sourced, created and styled with a majority of materials coming from authentic Mexican artisans.

DESDE LAS CALLES DE MÉXICO AL CORAZÓN DE AUSTRALIA

At its core, Tacos Muchachos is about bringing the most delicious Mexican street food to Australia, sharing the unique vibrancy of Mexican culture and revolutionising the way our Australian amigos enjoy Mexican food.

Founded on a true passion for Mexico's bold flavours and the creativity of it's cuisine - our hope is to transcend borders, languages and cultures to bring customers on a journey to the Taquerias and Mercados found in the bustling streets of Mexico and the southern United States.

We believe in staying true to traditional cooking styles - making our own tortillas, salsas and marinades from scratch - obsessing over the freshness of ingredients and providing a service that makes every customer feel like part of our familia.

At Tacos Muchachos, we combine fine dining techniques with traditional street food practices to showcase traditional street flavours while never forgetting the classics everyone fell in love with from the start.

DE TODOS LOS TAMAÑOS, COLORES Y SABORES

Mexican Street Food

Bringing the streets of Mexico to the shores of Sydney, slinging authentic street style tacos, as well as other classic Mexican food. We have a number of speciality dishes including the Quesabirria taco which is a 24-hour-marinated, 6-hour-slow cooked beef taco with gooey cheese that's been fried in beef fat and served with a dipping consommé. Another favourite is tacos Al Pastor which is a spit-grilled juicy pork shoulder in an aged adobada marinade topped with charred pineapple and finished with our taqueria guacamole and house-made salsas.

In addition to all of our classic tacos which have the option of shredded beef, chipotle chicken or adobada cauliflower, we offer some other great options like a street burrito and our classic nachos. All of our corn tortillas are handmade in-house to bring you the authentic flavours of Mexico. Ask us about our various food packages and specials!
